

Theology | Christ in the Church: The Head | Ephesians 1:22-23

Hunter House

BELONG

Where have you seen disunity in the world recently? How are believers called to respond when there is brokenness and suffering?

Use these lines from the [Clarity book \(page 115\)](#) to begin a prayer to open your time together. Allow time for members of the group to pray as they feel led.

“God, You are Head of the Church. We are humble servants to You and Your mission; please let nothing get in the way of that. Remove our pride and anything that makes the church become about our agenda rather than Yours. Remove any disunity among Your children, and help us to love one another in a way that points people to You.”

GROW

Read [Ephesians 1:22-23](#) aloud.

What does it mean for Christ to be Head of the Church today? What does it mean for Christ to be “Lord of all” in your life specifically?

In what ways have you limited the role of Christ in your life?

If Christ is Head of the Church, why is it important that we are committed to the local church? How can you be more committed to your church?

What are some things that might compete with Christ for headship over a local church such as Fellowship? How can we guard against allowing anything or anyone other than Jesus Christ to be the head of our church?

What do you find most attractive about Christianity/the Person of Christ? What do you find least attractive about Christianity/the Person of Christ? As believers, what can we do to make Jesus and His Church more attractive to a watching world?

How has this study helped you to see Jesus more clearly?
