### **BELONG**

What music lifts your spirits? What is a song that brings a smile to your face every time you hear it? If your group were going to sing together to try to cheer everyone up, what song would you sing?

In what areas of your life do you find yourself compromising your walk with the Lord in order to fit in with the world?

### **GROW**

Read [Acts 16:11-40](#).

**Have each person in the group read 2-3 verses.**

Who are the three people who come to know Jesus in this passage? What do they have in common? What makes them different from one another? Who do you think each of these people would represent in today's culture?

Why is it worth being counter-cultural to follow Jesus?

What are the things you want to be known for?

What are the values of our culture today? What are the values of the Bible? How are they the same and how are they different?

How has this study helped you to see Jesus more clearly?

### International Student Christian Association

ISCA (International Student Christian Association) is a ministry on the campus of the University of Arkansas. ISCA exists to give international students a place to connect, fellowship, learn about Jesus, and serve. Every Tuesday Night ISCA begins the weekly meeting with a "Fellowship Dinner." These dinners are so important to the students as it gives them time to connect with each other and catch up. Beginning with a meal sets the tone for the whole meeting.
