

**Advent:** Coming King | Peace

Mark Schatzman | Collin Jackson

### Live as ONE

What are a few of the most meaningful aspects of the Christmas season for you?

What do you consider some important qualities of a truly great leader?

Consider using the prayer on page 21 of the Clarity book as you begin to discuss the Word together.

### Live by the WORD

Read [2 Samuel 7:12-13](#), and then the devotional on page 20 of the Clarity book. When you reflect on what you know about the character and life of Jesus—even this Advent season and the Christmas story of His coming—what kind of King is He? How does He lead or rule?

How are some of the qualities of great leadership you reflected on earlier exemplified in Jesus? How does viewing Jesus as King challenge or refine those reflections about great leadership qualities?

How can you relate with Israel's struggle for a good, godly king described in the devotional? Who or what rivals the leadership of Jesus in your life?

### Live as SENT

What would it look like to surrender rival rulers and kingdoms to King Jesus and His Kingdom in your life? How would you be able to tell if that happened in your life? How would you be different?

What could it look like this week to live by the leadership of Jesus and participate in His Kingdom work in the world where you live, work, and play?
