1 TIMOTHY | Instructions for Church Leadership

October 10, 2021

1 Timothy 3:1-13

When you think of a great leader, who comes to mind? What made that person a great leader in your estimation?

What are the two offices of church leadership mentioned in the passage? What is your understanding of the differences between these two roles?

What does the passage focus on more: qualifications or functions of the two offices? Why do you think the passage put the spotlight there?

What are the qualifications for church leadership? Overseer (Elder)? Deacon?

If you were to use the qualifications for church leadership as an evaluation tool for yourself, how would you measure up? If this were a list for all of us to aspire to, where do you need to focus the most?

Why are godly elders so essential to church health?

Close your time praying for the elders of our church. Ask God to grant them strength, unity, and wisdom. To pray for the elders by name, visit fellowshipfayetteville.org/elders.
