1 TIMOTHY | Instructions for Worship 2

1 Timothy 2:9-15

What was the dress code like in your high school? Did you ever struggle to comply? How did you feel about the rules regarding clothing growing up?

What is modesty and why is it important? What were the 1st century modesty standards? What would be an example of a modesty standard for today?

Which does the instruction on modesty emphasize more: the internal character or the external appearance? Why do you think this is important?

Before we discuss the passage on women, why do you think this is a sensitive subject and why is it important to discuss? What is the primary or central issue in the passage? Is it authority in the church or quietness? What argument does Paul use to support his assertion?

Is it possible to have distinction in gender roles for the home and church while maintaining equality and value? Explain.

Verse 15 has perplexed many Bible teachers. What are some possible interpretations of this verse? What are some things the verse could not possibly mean?

Looking back over all of chapter 2, what should our approach to corporate worship be? What about our approach to community? What would you say is at the heart of this chapter?
