Theology | Christ in the Humanity: The Son of Man

BELONG

Have you ever had someone in your life that you could tell everything? What was it about that person that enabled you to trust them? Have you ever been the confidant of someone else? Share about that special relationship.

Why is it important that God became fully human? Why is this considered a key doctrine of orthodox Christianity?

GROW

Read [Hebrews 2:17-18](#) out loud.

According to verse 17, why did Jesus have to become a human being? Take a moment to discuss each of the reasons listed and what they mean.

Does Jesus seem approachable to you? Does He seem like someone you could be vulnerable with? Why or why not? What shapes how you see Him?

Is it harder for you to think of Jesus as fully God, or fully man? Why is that part of His nature harder for you to wrap your mind around?

How has this study helped you to see Jesus more clearly?

serve

Thank you for continuing to be the Church even when we can't meet in the church building. Many of you have continued to serve your families, neighbors, and community during quarantine in creative and kind ways. Please consider dropping off some extra food for one of our food pantries in Fayetteville. I've heard from the Salvation Army that they need styrofoam to-go boxes, plastic cutlery, and napkins as they are serving their weekly meals curbside. You can drop these items off at the shelter.

pray

So what are Fellowship's Global Workers doing during the coronavirus global lockdowns? They are continuing to do ministry! Bible studies are happening through phones and just last week someone became a follower of Christ in Africa through a phone study. Several of our global workers in other countries are delivering food to needy families who are unable to work, and many are now interested in studying the Word! This is happening because of the continued generosity of the Fellowship body. Thank you Fellowship and please continue to pray for our global workers as ministry continues!
