

FAMILY DISCIPLESHIP

Church at Home

Week 5

THE BEGINNINGS

Big Idea: Because of sin, man tries to be in charge.
Who should be in charge?

Table Talk:

Read Genesis 11:1-9

How does sin change the way we view ourselves? *(discuss the fall and thinking of ourselves as not wonderfully made, discuss the tower and thinking of ourselves more than God)*

Why did God change everyone's language? Why does sin always need a consequence? (Romans 6:23)

What is wrong with us being in charge and not God?

Have you ever "said" or "done" something spiritual for the wrong motives?

Activity Walk :

- Practice learning a few words in another language this next week. Post up some vocabulary in your house.
- Pray for a country that speaks a different language. Pray that they would hear the truth of Jesus in their own language.
- Listen to a worship song together as a family in another language. This is so amazing to catch a glimpse of heaven.

Memory Verse:

Revelation 4:11 NLT

"You are worthy, O Lord our God, to receive glory and honor and power.

For you created all things, and they exist because you created what you pleased." *Bolded is for K-2
