serve

In times like this we are privileged to be the hands and feet of Jesus. Although we are currently unable to meet for services, we want to encourage you to check on your neighbors, family members, and brothers and sisters in Christ to make sure they have food, water, and medications. You could also grab a few extra canned goods at the store and drop them off at a food pantry. Let's find ways to express the authentic Christ and offer peace in an anxious world.

pray

Pray for all of our global workers around the world whose lives and ministries are being affected by the pandemic. Pray for protection and that God will continue to spread His Gospel message to these unreached places during this crisis.
