THY KINGDOM COME | The Mission of God

As we consider “The Mission of God” we need to be careful that we don’t try to condense all of God’s purposes, plans, and works into a single, simple statement. God is too big for that. However, there are some recurring themes in Scripture that are woven throughout the whole story which show us God’s heart. One of those themes is God’s mission to rescue, redeem, and restore His creation, especially people, from the effects of sin.

### Read [Revelation 21:1-7](#).

Since we know that Revelation is a look at the “end of the story,” what do the pictures in this passage tell us about God’s mission?

Someone said that one of God’s purposes for mankind is “life together with Him forever.” Someone else said, “All God wants for us is to be with us.” How does Revelation 21:1-7 support that? How does that change, expand, or affirm your view of God’s purpose for you?

### Read [John 3:16-17](#).

What do these verses tell us about God’s role in the plan for saving us?

What would be an appropriate way for you to respond to this truth right now?
