Bible Story

Thank You For Church

King Solomon Builds God's House – The Preschooler's Bible 173

Reference: 2 Chronicles 3

King Solomon loves God. He wants to make a special house for God. People will come to God's house. They will talk to God there. They will sing to God too. God's house will be very beautiful. It will be more beautiful than the king's house. Solomon will tell many workers to put God's house together. They will make it with many beautiful things. God's house is called the temple. It is the most beautiful building on the land. "Come to God's house," the king tells the people. So people come from all over the land. They want to be together in God's house. King Solomon prays at God's house. The people sing songs about God. The people know that God is there. So they want to be there too. That is why they pray and sing songs. Do you like to pray and sing songs in God's house too?

Thank God by making some music! You can sing or play an instrument, just make a joyful noise!
