### **BELONG**

Have you ever faced a situation where doing the right thing would cost you money? Why is it sometimes hard to resist the urge to keep silent when speaking up will be costly?

What about Jesus do you cling to when life becomes difficult? Be specific and thank God for these attributes.

### **GROW**

Read [Acts 19:23-41](#) out loud.

How does the story you just read remind you of things you are seeing in our culture today? What are people worshiping today? How does this worship motivate their behavior?

How are you growing personally during this season? How has this study of the Church's spread from Jerusalem to Ephesus helped you see Jesus more clearly?

Consider ending your time together by praying the prayer in your Clarity book on [page 133](#).

Have you experienced God's transformational power in your life? What is a way that you have seen your life or someone else's life changed by knowing Jesus?

How has the Gospel affected the way that you work, parent, study, or engage with others daily?
