GROW

Read [Luke 9:28-36](#).

The disciples have a literal mountaintop experience. What do you think they were thinking and feeling during the events described in this passage? Have you ever had a spiritual "mountaintop experience"? How did that experience (those experiences) make you feel?

How does this passage help you see Jesus more clearly?

Why did Jesus select these three disciples for this experience? What is the significance of Moses and Elijah being there? What does this experience reveal about Jesus and His place in salvation history?

Why is Peter's remark ill-placed? Why does Luke say "He did not know what he was saying" ([9:33](#))?

What does the cloud that envelopes them represent? How does God's statement in [9:35](#) tie this event to the baptism of Jesus ([Luke 3:21-22](#))? Why is the significance of the event described in this passage?

Read [John 1:14](#) and [2 Peter 1:16-18](#). How did the experience of seeing Jesus in His glorified state affect John and Peter? How would this experience have motivated them in their walk with Christ when things were difficult? What keeps you spiritually motivated in your daily life?

Faith in Action

Faith in Action meets the needs of clients who have experienced a medical event at Washington Regional rendering them in need of some sort of assistance. Some needs are short term during a recovery process and others are longer-term, ongoing needs as a result of a life changing condition. Fellowship Fayetteville has served a handful of their clients on a longer-term basis and there are always others who could use ongoing engagement from a group or groups. Click [here](#) to be paired with a client in need for a one time or ongoing service opportunity, or e-mail [Linda](#) for more information.
