

Abraham moves to a new home.
Genesis 12:1-9

Abraham moves to a new home.

Genesis 12:1-9

Abraham was a man who loved and obeyed God. One day God said to Abraham, "Abraham, I want you to leave your home. I will give you a new land. I will show you how to get there."

Abraham told his wife, Sarah, and his nephew Lot, "We are moving to a new land." Abraham and Lot had lots of sheep, goats, cows, camels and donkeys. They also had many helpers to take care of all their animals.

Everyone had many jobs to do to get ready for the move! They filled water bags, packed food and clothes and rolled up big tents for sleeping. And then Abraham, Sarah, Lot and all their helpers

and animals started out on their long trip to the new land. Every day, they walked and walked. They found grass and water for their animals. At night, they slept in their tents under the stars.

Finally after many weeks of travel, God told Abraham, "This place will be your new home." Abraham and his helpers unpacked their bundles and put up the tents. Then Abraham built a special place to pray to God. Abraham thanked God for bringing him, his family and all the helpers safely to the new land. God was very good to Abraham and his family!
