

WORSHIP & CELEBRATION

We are excited to be spending the next several weeks in the Lord's Prayer together as a church body. Our hope is to take time not only to invite you to pray with us but also to set aside time to practice the spiritual rhythms of Jesus together. So whether it is with a roommate, a family member, or your small group, we hope you will join us praying and practicing the way of Jesus. This week we invite you to join us in praying in **worship and celebration**.

Worship is our appropriate response to God's revelation of Himself. There are many ways we can respond appropriately to God's revelation and to worship Him. We can praise Him, adore Him, love Him, submit to Him, confess our sinfulness to Him, or declare our utter dependence on Him. We can even do these in a variety of ways. We can sing, dance, pray, give, serve others, and share His goodness with others. Any response that acknowledges, celebrates, and declares His worthiness and value is an act of worship.

Read Romans 12:1-2 and Hebrews 13:15-16.

How does the mercy and sacrifice of Jesus inspire us to worship and celebrate Him?

How do we respond to Christ's sacrifice with our own spiritual sacrifices of worship according to these verses?

What do these sacrifices of worship look like when we gather for worship services together? What about personally in everyday life?

What could it look like for you to take a step of growth in worshipping and celebrating God as an everyday lifestyle?

Take a moment to pray together and celebrate what God is revealing to you about Himself. **Read Matthew 6:9-13 together to close.**
