Big Idea: Jesus came to make old things new.

Read John 2:1-11

*If you need to explain: Wine was the drink of choice back then... they did not have the options we have today. Wine was also very watered down and diluted. Most likely the alcohol content was much smaller.

- Why do you think this was Jesus' first miracle? What did it show or teach?
- What old things do we leave behind when we believe in Jesus?
- What new things do we get to experience when we have life with Jesus?

Memory Verse

2 Corinthians 5:17 NLT

This means that anyone who belongs to Christ has become a new person. The old life is gone; a new life has begun!

Prayer

Praise: What is something you love about Who God Is?

Thanksgiving: What is something you are thankful for this week?

Pray for Others: Are there others that need prayer?

Confession: Is there anything in your heart that needs cleaning out?

Requests: What needs prayer?

Creating Space

Grab a little pack of Kool-Aid or Lemonade at the store this week. It can be just a small single serve pack. Make space to have your kids drink some water out of a cup. Then pour the packet into their water. Spend time taking note of the differences. What is different about what it looks like? What is different about what it smells like? What is different about what it tastes like? Which one did you like better?

When we believe Jesus' teachings and believe what he did for us on the cross, our life is supposed to look different too! What should our life look like with Jesus? And believe it or not, life is SO much better with Jesus!!
