What are some of the traditional meals that you grew up with? What are some foods that you always expected to have at certain times of the year or on certain occasions? Have you kept those culinary traditions alive as an adult?

## Grow

# Read Exodus 12:21-32 out loud. Have each person read a verse or two.

What is the Passover designed to remember? Why did God want His people to always remember these events? Why do you think God made a meal central to this remembrance (Exodus 12:8)?

## Read Luke 22:14-23.

Why is it significant that the events in this passage are taking place during Passover (v. 15)? What was the meaning of Passover in the minds of the disciples? What do you think Passover had meant to them as they observed it year after year growing up?

How does Jesus redefine what the bread and wine of the Passover meal mean (vv. 19-20)?

#### Read 1 Corinthians 11:23-26.

In your own words, what does the practice of communion help us remember?

What are other things in life or creation that help you remember Jesus?

How are you making it a consistent practice to remember with other believers? Who can you invite this week to join you in remembering Jesus? What is a day in your life that you will always remember?

How does this passage help you to see Jesus more clearly?
