### **BELONG**

Do you like to fish? Tell about your best day of fishing ever.

### **GROW**

Read [John 21:1-14](#). What strikes you as interesting about this segment of the passage? Why?

Read [Luke 5:4-11](#). What similarities do you see in these passages? How might the earlier experience recorded in Luke's Gospel have influenced John's recognition of Jesus and Peter's reaction in today's passage?

### **Read John 21:15-25.**

Based on His response to Peter's actions, what emotions do you suppose Peter might have felt after denying Jesus three times before the Crucifixion? Why do you think Jesus asked Peter "Do you love me?" three times? What does this passage teach you about Jesus and His character?

Can you relate in some way to having let Jesus down as a Christian because of something you have done? What temptations does someone face when this happens?

What is most needed for restoration? If Jesus was willing to restore Peter after a triple-denial, what comfort does that provide us when we sin against Him?

When Peter said he loved Jesus, why did Jesus say "Feed my sheep"? What could this look like in your life?

To learn more about Jesus' appearances and ascension, look up [Acts 1:3-11](#).

How has this passage helped you see Jesus more clearly?

## serve

In times like this we are privileged to be the hands and feet of Jesus. Although we are currently unable to meet for services, we want to encourage you to check on your neighbors, family members, and brothers and sisters in Christ to make sure they have food, water, and medications. You could also grab a few extra canned goods at the store and drop them off at a food pantry. Let's find ways to express the authentic Christ and offer peace in an anxious world.

## pray

Pray for global workers, Daniel and Laura, that they can receive a permit to visit their farming business during the lockdown.
