

# Welcome to Family Campout

We are so glad you are joining us for this weekend family experience! Thank you for taking the time to have fun, worship, & build memories with your family.

This weekend, we will be exploring **Hebrews 12:2**. We will encourage one another to keep looking to Jesus. Work together to memorize Hebrews 12:2.

Be sure and open the **Pre-Camp Envelope (#1)** for things you will need to do/plan to be ready for the weekend. The rest of the envelopes will be opened during the weekend of Family Campout.

**Pray.** Take some time this week individually and as a family to ask God to guide your time this weekend. Ask Him to help you love Jesus more because of your time together.

### EXPERIENCE & RETELL THE STORY

To tell the story, use the attached script to reenact the story of Zacchaeus.

### REFLECT

What do you think Zacchaeus was doing before Jesus came to him?  
What do you think went through Zacchaeus' mind when Jesus told him he was coming to his house? (*"It's not clean," "I'm not ready," "I need to get some food," etc.*)  
How was his life different after his encounter with Jesus?  
How does this story change what you believe about Jesus?

### PRAY

Jesus, help me look to you. Help me be more curious about who you are and what you're like.

**PARENTS, HOW WAS YOUR LIFE DIFFERENT BEFORE YOU ENCOUNTERED JESUS? HOW IS YOUR LIFE DIFFERENT AFTER?**

# A SHORT MAN MEETS THE SON OF MAN

Pick one person in the family to play each part of the skit (*For smaller families, some people may need to play more than one part!*). A parent should be the Narrator. The Narrator will read the story and everyone else will act out whatever the narrator says! The Narrator, Zacchaeus and the Eyewitness begin on one side of the room, and Jesus and The Crowd begin on the other.

---

## CHARACTERS/PROPS

### NARRATOR

### ZACCHAEUS

- MONOPOLY MONEY OR REAL CASH
- SOMETHING TO CLIMB UP (A CHAIR, STEP STOOL, OR LADDER)
- SOMETHING TO LOOK THROUGH (A MAGNIFYING GLASS, BINOCULARS, OR AN EMPTY PAPER TOWEL ROLL)

### JESUS

- ROBE
- SANDALS.

### THE CROWD

- SIGNS THAT SAY, "GO TEAM JESUS," "JESUS IS #1," ETC. (*GRAB STUFFED ANIMALS TO HOLD SIGNS IF YOU WANT A REALLY BIG CROWD!*)

### EYEWITNESS

- ROBE
- WALKING STICK
- SUNGLASSES

**(WE ALSO RECOMMEND FINDING A WAY TO STREAM MUSIC.)**

## SCRIPT

*(IF POSSIBLE, START PLAYING "STAR WARS MAIN THEME")*

**NARRATOR:** a long time ago, in a small country far, far away... There was unrest in the land of Israel. A man called Jesus of Nazareth was said to be the Messiah, the chosen one! The one who would finally bring peace between God and his people and forever change history!

*(END "STAR WARS MAIN THEME.")*

SATURDAY AFTERNOON

# A SHORT MAN MEETS THE SON OF MAN PG.2

---

**EYEWITNESS:** His followers increase in number every day!

*(A LONE CROWD MEMBER WAVES A JESUS SIGN LIKE A CRAZY FAN)*

**EYEWITNESS:** And the stories! The stories of the miracles that this man performs! If I hadn't been there when he healed my neighbor's deathly sick daughter... And if I hadn't been there when He fed over five thousand of us as we listened to him teach on the mountain side... And if I hadn't been there for that... well... maybe I would have a hard time believing Jesus could change lives. Especially the life of a greedy tax collector.

*(REMAINING CROWD MEMBERS JOIN THE LONE MEMBER IN WAVING JESUS SIGNS LIKE CRAZY FANGIRLS, SILENTLY CHEERING FOR JESUS)*

**NARRATOR:** Even though Jesus's followers were growing in number, there were still many in Israel who didn't know what to think about Him and His teachings. And this is where we meet Zacchaeus. Now Zacchaeus was a wee little man, and a wee little man was he, but what he lacked in the height department, he made up for in the greed department.

*(ZACCHAEUS FANS A WAD OF MONEY IN FRONT OF HIS FACE AND HAS A GREEDY LOOK IN HIS EYE)*

**NARRATOR:** He was a tax collector, and like most tax collectors in his time, he cheated his neighbors so he could get more money for himself. As you could imagine, he didn't have a lot of friends.

*(ZACCHAEUS LOOKS OFF INTO THE DISTANCE. HE LOOKS LIKE HE'S MISSING SOMETHING IN HIS LIFE, BUT HE'S NOT SURE WHAT IT COULD BE...)*

**NARRATOR:** Zacchaeus was also very curious about Jesus. At that very time, Jesus began making his way into the town Zacchaeus lived in!

*(JESUS BEGINS CROSSING THE ROOM. THE CROWD FOLLOWS HIM, LISTENING CLOSELY FOR A NUGGET OF WISDOM)*

**NARRATOR:** When Zacchaeus heard, he did whatever he had to do just to get a glimpse of Jesus. Wanting to see him up close, he frantically looked for his telescope! Or, his camera? No! His magnifying glass! Binoculars? Something to help him get a better look. Then, he climbed all the way up the couch...or was it a ladder? A sycamore tree? Or did he climb up onto his parents' shoulders? He climbed all the way up to finally see Jesus coming into town!

# A SHORT MAN MEETS THE SON OF MAN PG.3

---

**(ZACCHAEUS CLIMBS UP SOMETHING AND ACTS LIKE HE'S BRINGING HIS BINOCULARS INTO FOCUS. JESUS AND THE CROWD CONTINUE TO CROSS THE ROOM AND COME NEAR ZACCHAEUS.)**

**NARRATOR:** And what no one expected to happen, actually happened!

**(RIGHT AS JESUS PASSES THE TREE THAT ZACCHAEUS IS IN, JESUS LOOKS UP AT ZACCHAEUS AND SAYS HIS NEXT LINE)**

**JESUS:** Zacchaeus! Come down immediately. I must stay at your house today.

**NARRATOR:** All the people in the crowd began whispering...why would Jesus go to the house of a sinner? It was a very strange thing for a teacher like Jesus to hang out with a greedy tax collector like Zacchaeus. But something happened to Zacchaeus that day. Something changed inside of Zacchaeus after he had spent time with Jesus.

**ZACCHAEUS:** Look Lord! Here and now I give half of my possessions to the poor and if I have cheated anybody of anything, I will pay back FOUR TIMES the amount!

**JESUS:** Today salvation has come to this house, because this man too is a son of Abraham. For the Son of Man came to seek and to save the lost.

**EYEWITNESS:** You know, it didn't really surprise me when Jesus went over to Zacchaeus' house, because I've seen Jesus do this kind of thing before...in my own life actually! The one thing that does surprise me, and the thing that never gets old, is seeing people like Zacchaeus change. The kind of people that seem like they could never change do a complete 180 after looking to Jesus for what was missing in their life. Zacchaeus knew something was missing but couldn't put his finger on it. He finally found it when Jesus stepped into his home and into his life.

# **FAMILY GAME NIGHT**

**One of the best ways to build family memories is by playing games together. Tonight after dinner, gather your family and decide on a game to play together.**

**Included in this packet are instructions & supplies for several games you could choose. Pick one of the provided games or play one of your family favorites.**

**The goal is to make memories & have fun!**

# CHARADES

The objective of charades is to guess a word or phrase that another player is acting out.

## WHAT YOU NEED:

- stopwatch or other timing device
  - paper and pencil for scorekeeping
  - blank slips of paper
  - two baskets or other containers for the slips
- 

## SETTING UP THE GAME:

- Divide into two teams, or challenge another Family Campout family, to play with you. You play outside in a driveway or on an online video conferencing app.
- Select a neutral timekeeper/scorekeeper, or pick members from each team to take turns.
- Review the gestures and hand signals and invent any others you deem appropriate. For example:
  - **Book title:** Unfold your hands as if they were a book.
  - **Movie title:** Pretend to crank an old-fashioned movie camera.
  - **Song title:** Pretend to sing.
  - **TV show:** Draw a rectangle to outline the TV screen.
  - **Words or Phrase:** Make quotation marks in the air with your fingers.
- The teams temporarily adjourn to separate spaces, to come up with phrases to put on their pieces of paper.
- Write down your phrases on slips of paper and put in a basket, cup, bowl, etc.

**PLAYING THE GAME:**

- Each round of the game proceeds as follows:
- A player from Team A draws a phrase slip from Team B's basket. After he/she has had a short time to review the slip, the timekeeper for team B notes the time and tells the player to start. Team A then has three minutes to guess the phrase. If they figure it out, the timekeeper records how long it took. If they do not figure it out in three minutes, the timekeeper announces that the time is up, and records a time of three minutes.
- A player from Team B draws a phrase slip from Team A's basket, and play proceeds as above.
- Normally the game continues until every player has had a chance to "act out" a phrase. The score for each team is the total time that the team needed for all of the rounds. The team with the smallest score wins the game.

**A FEW WORDS TO GET YOU STARTED:**

- Making a campfire (word/phrase)
- Pitching a tent (word/phrase)
- Roasting marshmallows (word/phrase)
- Parent Trap (movie)
- The Great Outdoors (movie)
- Going on a bear hunt (word/ phrase)
- The Jungle Book (movie)
- The Princess and the Frog (movie)
- Somewhere over the Rainbow (song)
- Treehouse Masters (TV show)
- The Hungry, Hungry Caterpillar (book)

# PICTIONARY

The objective of pictionary is to guess a word or phrase that another player is drawing.

## WHAT YOU NEED:

- stopwatch or other timing device
  - paper and pencil for scorekeeping
  - chalk or pens and notebook sized paper
  - pens and strips of paper or index cards to write clues on
- 

## SETTING UP THE GAME:

- Have each player write a few clues to be drawn.
- Put them all in a stack and shuffle them up. Each word(s) should be labeled as one of the following five categories (or be creative and come up with other ones):
  - *Person*
  - *Place*
  - *Animal*
  - *Action*
  - *Object*
- Divide the group into teams, or challenge another Family Campout family, to play with you. You can do so outside in someone's driveway or even play over FaceTime.
- Distribute paper and a pen to each group. (*If you are outside in someone's driveway you can also use chalk to draw on the driveway or sidewalk*). Decide which team goes first.

**PLAYING THE GAME:**

- On a team’s turn, they choose someone to draw. The judge prepares a one-minute timer (or stopwatch) and gives the player a card.
- The judge says “Go!” and starts the timer. The player begins to draw a picture of the word(s).
- The goal is for the team to correctly guess the word (or basic idea of the word) within the allotted time limit. If the team correctly guesses the word, they receive a point.
- If they don’t guess correctly the other team can try to guess and steal a point. Then it’s the next team’s turn.
- NOTE: The artist may not make any hand gestures or audible noises.
- ALSO NOTE: The pictures drawn cannot have any numbers or letters.

# FISH BOWL

The objective of Fish Bowl is to score as many points as you can after 3 rounds.

## WHAT YOU NEED:

- sticky notes
  - pens
  - a container to hold the sticky notes in (A fishbowl is ideal!)
  - timer
- 

## SETTING UP THE GAME:

- Divide into two equal teams
- Everyone takes three sticky notes and writes a noun on each one. *Hint: Players will have to guess the nouns later on so they shouldn't be too obscure.*
- Everyone folds their sticky notes in half and places them into the fishbowl.
- After all of the pieces of paper are in the fishbowl, shake the bowl to mix them up.

## PLAYING THE GAME:

The game is played in 4 rounds. The starting team selects a player to go first. That player will grab a piece of paper from the fishbowl and read it. The 1-minute timer will start as soon as they pick a piece of paper from the fishbowl.

**Round 1:** The player will then use **words** to get their teammates to guess the word that is on the paper. They cannot use any hand gestures only words, and they can't say any of the words that are on the paper. The team gets a point for every word they guess correctly within the one minute timer. Teams take turns back and forth until all the sticky notes have been used. Then count up the points and put the sticky notes back in the bowl and begin the next round.

**Round 2:** Players can use **ONLY hand gestures** to help their teammates guess correctly, no words allowed in this round.

**Round 3:** players can use only a **single word** to give their clue.

**Round 4:** Only to be played by the most serious of fishbowl competitors. This round is played like round two, charades style, but with a **bed sheet** over the person who's it.

# CARD GAME - GOLF

**Golf is a card game for two or more players, in which the object is to score as little as possible, as in the sport of Golf. It is played with one deck of cards. Each player is dealt six cards face-down in two rows of three. You can look at your bottom 3 cards, and the top 3 cards are a mystery.**

## **WHAT YOU NEED:**

- Deck of cards
  - Pen & paper to keep scores
- 

## **PLAYING THE GAME:**

- The player to the dealer's left begins, and play continues clockwise. On your turn you must either draw the top card of the face-down stock, or draw the top card in the discard pile or choose to keep an existing lay-out card.
- If you draw a card, you may use it to replace one of the six cards of your layout. Remember you are not allowed to look at any of your top row before you replace it with another card. You have the choice to keep the mystery card and flip it over and discard the drawn card or use the drawn card to replace a mystery card. When you replace a card flip it over and it can no longer be replaced. It is then the next player's turn.
- If you draw a card from the stock and decide that you do not want to use it in your layout, you may simply discard the drawn card face up on the discard pile, but remember every time you have a turn you must turn over one

- ❑ card. It is then the next player's turn.
- ❑ Pairs are to your advantage because a pair cancels each other out.

## **ENDING A ROUND:**

Whenever a card is replaced, the new card is placed face up in the layout. When all the players cards are faced up, that round is over.

## **SCORING:**

At the end of the round, each player's layout of six cards is turned face-up and scored as follows.

- Each numeral card scores face value (Ace=1, Two=2, etc.)
- Each Jack or Queen scores 10 points.
- Each King scores zero points.
- Each pair scores zero.

The player who has the lowest cumulative score after six rounds wins.

# CARD GAME - SPEED

The rules are very simple and the game goes fast, and it's so much fun! You need one deck of cards and it's a two player game. If you have more people than that, you can set up a tournament bracket with the winners winning the best 2 out of 3 games (*since each game only takes a couple of minutes*).

## WHAT YOU NEED:

- Deck of cards
  - Pen & paper to set up tournament bracket
- 

## SETUP:

- To begin, set two cards in the middle, side by side, face down.
- Make two piles of five cards to either side of those cards
- Deal out the remaining cards to each of the players (*each player should get 20 cards*).
- Each player then grabs five cards to hold and look at, sorting any way that is convenient to the game.

## PLAYING THE GAME:

- To begin the game, each player reaches to one of the center cards on the table and turns it face up. The players can now start placing cards.
- Cards placed on one of the piles must be either one greater or one less than the face value of the card on the pile.
- The order of the cards is the standard Ace-10, Jack, Queen, King, where the values loop

- from highest back to lowest (i.e. aces placed on kings, kings placed on aces).
- After a card has been placed in a pile, the player picks up one of their remaining cards so they always has 5 cards in their hand.
- If neither player can place a card in a center pile, both players draw a card from the side piles and places it in the nearest center pile.
- If both players still cannot play, repeat this process until someone can play. If the side piles are empty, flip the center piles over to be the new side piles.
- The winner is the first one to play all of their cards!
