

ADVENTURELAND - PRESCHOOL NEWS

MARCH

FROM THE TEACHER

March?! Can you believe we are already 3 months in to 2020? The days are long but the years are short, indeed. We hope your year is settling into a good rhythm as a lot of activities resume this month. With

any luck, the groundhog was honest this year and we will be having a gorgeous, early Spring. May you find some days to enjoy Arkansas in the Spring and all that God designed!

WHAT WE ARE LEARNING

The first week of this month, we will be celebrating Dr Seuss week! Feel free to bring Seuss books and dress as Seussical as you choose. It should be a lot of fun! The following two weeks, we will be learning about St. Patrick's Day, and including it in our crafts and centers. After that, we will have Spring Break and be closed. After Spring Break, we will go straight into learning about Easter!

*Our letters this month are: B,Q,U
The color of the month is yellow.*

REMINDERS

Please remember a snack, water bottle, and lunch each day. Please continue to bring a jacket or coat, depending on the weather.

PRAYER FOCUS

Dear God, please teach me to share with others.

Luke 6:38
