

MID-TERM CHECK IN

HARVESTBIBLECHAPEL.ORG

For the past several weeks, we have taken a deep dive into God's Word to find out what He has to say about handling our finances. In the weeks to come, we will study some powerful truths that will continue to shape our thinking about money and align it with God's Word.

At the end of our study, comes your opportunity to score all of your weekly assessments. Based on that score, we will direct you to additional resources, classes, or counselors to help you to further align yourself with God's Word and steward what He has entrusted to you.

RECALL

Recall a season in your life when you were personally and deeply impacted by the truth of God's Word...or maybe a season when you were resistant and less willing to receive His truth. What do you think causes you to be more or less receptive to the teaching of God's Word in your life?

How open are you at this time, to hear and apply these biblical principles to your life?
