

**Easter:** Certainty of the Ascension | [Hebrews 1:1-4](#)

Mark Schatzman

**Live as ONE**

If someone were writing your biography and asked you to provide a single sentence as a description that summed up the essence of who you are and what you're all about, what would it be?

**Live by the WORD**

Read [Hebrews 1:1-4](#).

In this short passage the author pens a series of rapid-fire descriptions of Jesus, the Son of God.

Read again through these descriptions slowly.

Now take these phrases and consider each one together as a group. What does each bring to mind?

He [God] appointed [Jesus] heir of all things...

Through [Jesus] He [God] made the universe...

The Son is the radiance of God's glory...

[Jesus is] the exact representation of His [God's] being...

Sustaining all things by His powerful word...

He [Jesus]... provided purification for sins...

He [Jesus] sat down at the right hand of the Majesty in heaven...

As you consider these descriptions of Jesus, are there any that bring your heart peace and joy in the midst of the current crisis? If so, we encourage you to memorize that phrase or verse, so as to be able to recall it often as you move throughout your week.

**Live as SENT**

As followers of Jesus we are called to LOVE God, to TRUST Jesus, and to BLESS our neighbors.

As you consider the truths from this passage, how can you walk in that calling this week?

What does it look like to love and worship God in the midst of the current crisis?

How can you choose to trust Jesus who sustains all things and holds them together?

How might His love and His trust lead you to bless and serve someone around you?
