

# THE BEGINNINGS

**Big Idea:** God created man and woman to reflect his image.  
Why did God create man and woman?

## Table Talk:

### Read Genesis 1:26-28

Who created all the people on the earth?

Does God create anything that is less than perfect? What does that say about you?

Whose image are we created in?

Take time as a family and share the amazing things about each person that God so beautifully created.

## Activity Walk :

- Make it a point each day to point out something amazing about someone else.
- Do something you have never done before, something new. God created us to experience new things.
- Take time to look at baby pictures. Talk about how your children have grown and changed.

## Memory Verse:

Revelation 4:11 NLT

**“You are worthy, O Lord our God, to receive glory and honor and power.**

**For you created all things,** and they exist because you created what you pleased.” \*Bolded is for K-2
