Theology | Christ in the Trinity: The Son of God

Garland Autry and Nick Roland | [Hebrews 1:3](#)

BELONG

What kind of learner are you? Visual? Auditory? Kinesthetic? Do you retain more when you listen to a podcast or when you read a book? In which class at school did you learn the most? Why do you think you learned more in that class than in some others?

Why is the doctrine of the Trinity difficult to fully grasp or explain? How would you explain it to someone? Why is every word-picture or metaphor that we use to describe the Trinity insufficient?

How would you explain the different roles of each member of the Trinity: Father, Son, and Holy Spirit?

GROW

Have different people read each of the following passages out loud: [Hebrews 1:3](#), [John 1:1](#); [Colossians 2:9](#); and [Mark 1:9-11](#).

Why is it critical to believe that Jesus is fully divine and not just another human? How does understanding the Trinity help you understand Jesus better?

What are some statements you can make about God based on those passages?

How has this study helped you to see Jesus more clearly?

While it's true that the word "Trinity" never appears in the Bible, it's a theological concept derived from Bible study. What do you see each member of the Trinity (Father, Son, and Holy Spirit) doing in [Mark 1:9-11](#)?

serve

Thank you for continuing to be the Church even when we can't meet in the church building. Many of you have continued to serve your families, neighbors, and community during quarantine in creative and kind ways. Please consider dropping off some extra food for one of our food pantries in Fayetteville. I've heard from the Salvation Army that they need styrofoam to-go boxes, plastic cutlery, and napkins as they are serving their weekly meals curbside. You can drop these items off at the shelter.

pray

So what are Fellowship's Global Workers doing during the coronavirus global lockdowns? They are continuing to do ministry! Bible studies are happening through phones and just last week someone became a follower of Christ in Africa through a phone study. Several of our global workers in other countries are delivering food to needy families who are unable to work, and many are now interested in studying the Word! This is happening because of the continued generosity of the Fellowship body. Thank you Fellowship and please continue to pray for our global workers as ministry continues!
