BELONG

What instructions would you give to someone who would be taking care of your home while you were away?

In what ways has the Clarity series helped you grow over the past year?

GROW

Read [1 Thessalonians 5:12-28](#). What instructions does Paul prescribe for Christian living in [verses 12-22](#)? Which ones are hardest to abide by? Which are the easiest? Do any of these commands connect personally with you at this time? Why?

Read [verses 23-28](#) again. What does this say about the way that God is working in the lives of Christians? How do these verses relate back to [verses 12-22](#)?

In this passage, Christ followers are challenged to grow in their faith as they learn to trust God in new ways. In what ways have you grown spiritually over the last year?

What are the biggest obstacles to spiritual growth in your life? What can you do to overcome those obstacles?

Who is someone that is a few steps ahead of you spiritually? How can they help you in your faith journey? What spiritual goals do you have for your life in the coming year?
