# DREAM FOR GRADUATION

Now to Him who is able to do immeasurably more than all we ask or imagine... Ephesians 3:20

*Imagine Cell Group at graduation:*

What do we see in for our students when they graduate high school?

Where do the words “immeasurably more than all we ask or imagine” take us?

When we wander outside the boundaries imposed by the way things are, what do we see? What do we think God sees?

What big dreams do we have for our students?

# THINK FOR NEXT YEAR

Finally, brothers and sisters, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever isn't admirable if anything is excellent or praiseworthy think about such things. Philippians 4:8

## *How do we get there?*

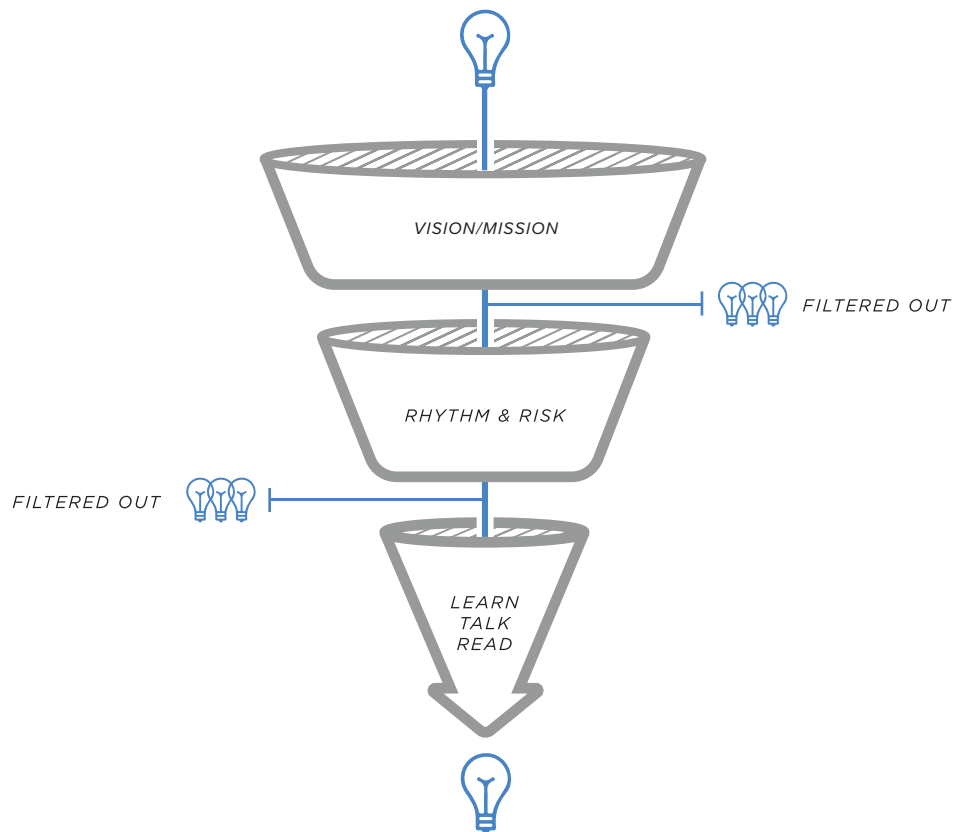

Will this idea advance our Vision and Mission?

How will it affect our rhythm and pace of leadership?

What are the risks involved? What could happen?

Who can we look to as an example of healthy cell group life? How can we be more like them as leaders?

How can our leadership change to better pursue the desire we have for our students?

# PLAN FOR THIS YEAR

*...the eyes of the Lord your God are continually on it from the beginning of the year to its end. Deuteronomy 11:12b*

## The Game Plan

*how can we, as cell group leaders challenge, shape, encourage and love our students, while keeping our big picture goal in mind: to see students change into world changing followers of Jesus?*
